

TECHNOLOGY REQUEST		
Title of Technology Requires : (Please be specific)		
Product : Planned Capacity : Location : This is a new project expansion / modernisation diversification Expected total project cost:	Cooperation Sought : Consultancy Know – how Equipment Supply Technology Licensing Joint Venture Turnkey Project Preferences : Indigenous : Overseas : (Name countries if possible)	
Own Investment Capacity Cash : Land (m ²) : Building (m ²) : Utilities :	Marketing Plan Local Market (%) Export (%) Market Potential Estimated Annual Demand Growth % Supply (%) : Indigenously Through Import	
Brief description of the project in relation to existing business : (Please use additional sheet, if necessary)		
Assistance sought from the technology supplier :		
Document & other support :		
Project Report	Tech Feasibility study	Prototype
Product Samples	Designs	Any Other (Please Specify)

COMPANY / FIRM PROFILE

Name : _____ Financial Position as on

Year of Establishment : _____ Authorised Capital : _____

Phone : _____ Paid up Capital : _____

Fax : _____ Legal Status : _____

Contact Person : _____ Public Ltd. Private Ltd.

Main Area of Activities : _____ Partnership Proprietary

Part of a Group / Subsidiary

Manufacturing

Trade Fixed Assets : _____

Consultancy / Services Profit : _____

R&D

Item manufactured / traded		Latest year	Previous Year
	Output (Qty.)		
	Turnover (Rs.)		
	Output (Qty.)		
	Turnover (Rs.)		
Main production equipment & facilities	Total No. of employees		Bank reference
	Managers		
	Graduate Engineers		
	Technicians & Skilled Workers		

Raw material & components :

(a) Domestic Supply :

(b) Foreign Supply :

Technologies, equipment & facilities to be modernised

Marketing coverage & arrangements (including exports)
